

# AgilityHealth® Enterprise Baseline Jump Start

Roll out AgilityHealth® across all teams (Agile, waterfall, business) to get a baseline and accelerate the maturity and business agility of your organization.

**Participants:** 300-1,000+ Teams

**Duration:** 8-12 Weeks

## Outcomes of this Jump Start:

- Establish a baseline of TeamHealth® (or other radars) across ALL your teams to gain visibility into the current maturity and performance.
- Analyze patterns across teams and build team level, organizational and enterprise improvement plans.
- Enable self-learning by providing targeted recommendations for each competency through the Growth Portal.
- Engage leaders and managers in removing obstacles through Continuous Improvement Leadership Teams.

## Jump Start Timeline:

**Intended Audience:** VPs, Directors, Managers, Agile Coaches, AgilityHealth Implementation Team, Team Members
